**At least one owner must be listed on both of the checking and the savings account for the Roundup your Change service**

#### **Terms and Conditions**

When you enroll in our Roundup your Change program, we round up the amount of any MasterCard debit purchase made by you or any joint owner of your checking account to the next whole dollar, and transfer the excess of the purchase price from the checking account to the designated savings account.

We transfer the excess amount for each debit purchase into your savings account at the end of the business day. If on a business day you do not have sufficient funds in your checking account, it may result in an overdraft.

If your MasterCard debit card purchase is subsequently cancelled or reversed, the corresponding transfer will remain in the savings account. We may cancel your Roundup your Change savings service at any time. Roundup your Change is available only on consumer MasterCard debit cards linked to your Green Belt Bank & Trust checking account listed above.

If your checking account is closed, your "Roundup your Change" savings service will be cancelled.
